from 7:00
PM to 8:00
PM CDT

The school year goes by quickly, prepare early for Extended School Year.

Preparation now will assist with planning ahead. Join us for the first of our education series

Topical Calls are workshops that we offer to assist families and providers become more familiar with topics relevant to children with special health care needs.

These can be done in the comfort of your home. All you need to do is register. We will send out materials and provide the toll free call in number to you prior to the call.

To register just give us a call at 888-522-9654 or email us at

fvnd@drtel.net

Thank you for your attention and response, we look forward to hearing from you

Sincerely,

Donene Feist
