

The North Dakota Insurance Department has hired HTMS, a health care consulting company, to research and report on options and strategies for fulfilling requirements for a Health Benefit Exchange as defined by the Affordable Care Act (ACA), the health care reform bill. HTMS is reaching out to consumer groups in North Dakota to gather perspectives and insights to inform this analysis.

Please click on the following link to participate in a survey. <http://www.surveymonkey.com/s/GVCXVS9>

Thank you for your contributions and for working with HTMS and the Insurance Department on this issue.
