

Transition-ND

Transition

We have an app for that!!!!

Did you know there is a **FREE app** to help teachers, parents and IEP team members engage students in the post-secondary transition planning process? It's called **Transition-ND**. It was developed to ask simple questions of students so that they can provide more detailed input regarding their IEP transition plan.

Download the FREE app from the **Google Play** or the **iTunes** App Store.

- The app only takes around 15 minutes.
- The app produces an individualized draft transition plan. You can even email it to yourself.
- It's also available as a **web-based** app, using any internet-connected device, at www.transition-nd.com.
